SCDX Club 2 Meter Repeater: 144.88 IN, 145.48 OUT. DX reports have priority so please don't delay breakers.
Thursday DX Roundtable - 7:30 PM

Meeting Announcement

Thursday, Oct. 8, 1981 - 7:30 PM
Department of Water and Power
111 No. Hope St., Cafeteria

Program: Dick Norton, N6AA - Operating DX Contests from other Parts of the World. Guest-Visitor Kan, JA1BK, will show slides of his recent "DX vacation" to FW.

Contest Calendar:

Oct. 11 RSGB 21/28 MHz Phone Contest
Oct. 18 RSGB 21 MHz CW Contest
Oct. 24-25 CQ WW DX Phone Contest
Nov. 7-9 ARRL CW Sweepstakes
Nov. 21-22 VK QRP CW Contest
Nov. 21-23 ARRL Phone Sweepstakes
Nov. 28-29 CQ WW DX CW Contest

W1AW DX Bulletin Schedule - Oct./Nov.

SSB 6:30 & 9:30 PM Thurs., PDT, on 1835, 3990, 7290, 14290, 21390, 28590
CW 5:00 & 8:00 PM Thurs., and 7:00 AM & 2 PM Fri., PDT, on 1835, 3580, 7080, 14080, 21080 and 28080 at 18 WPM.
RTTY-ASCII 6:00 & 9:00 PM Thurs. and 8:00 AM & 3 PM Fri., PDT on 3625, 7095, 14095, 21095 ans 28095. RTTY 60 WPM/170 Hz; ASCII 110 baud/170 Hz.

SCDXC Minutes of Meeting, Sept. 10, 1981

The meeting was opened at 8:10 PM by President Tom Hoyne, N6NI, who announced that door prize tickets for a Bencher Paddle key were available at the entrance. The ballots for voting on the new constitution and by-laws should be given to, or mailed to, W6PN, club secretary. Ten guests were introduced, including FK8AH and C5ACA.

From 8:16 until 9:29 Don Bostrom, N6IC, showed movie films of his Clipperton Island DXpedition and also a DXpedition to FW8 and FK8. Between films there was a break from 8:50 until 9:01.

Following the program, there being no new business, the Clipperton award was presented to Gary Pesselt, WB6PSY, by Don Bostrom. A permanent plaque will be given to N6AHU, Joe Merdler, previous year's award winner.

The following announcements were made: 1. SCDXC Country Chase to be held 3 October was plugged. 2. The Board of Directors recommends $400.00 be used to purchase an amplifier for Ron, ZL1AMO, who has mounted several DXpeditions and is now planning to go to Kermadec Island in the near future. Art Munzig, W6PYV, will pay for shipping the amplifier to Ron. A motion to accomplish the above was made and passed. 3. U.S. Callbooks are available through the club for $16.87, and Foreign callbooks for $15.98. W6YRA said that HRO can give a better price.

Violet Barrett, W6CBA drew the ticket for the door prize, the winner being W6HFL, Don Cummings.

There being no further business the meeting adjourned at 9:41 PM.

Perry Esten, W6PN
Secretary

New Constitution and By-Laws Approved

At the last Board of Directors meeting on Sept. 28, the proposed Constitution and By-Laws of the SCDX Club, as published in the September Bulletin, was declared valid and in effect in accordance with the results of the ballots received. Although ballots were mailed to all members, only 15% voted: 42 yes, 5 no. The largest vote was APATHY!

Larry Brockman, N6AR, Elected Director

As a result of the resignation of Dr. Dave Gardner, K6LPL, as Director, the Board of Directors has elected Larry Brockman, N6AR, to fill the Director vacancy. At Dave's request, and with Prez Tom's concurrance, we are publishing Dave's letter in its entirety on page 6 of this Bulletin.

Club Contest Logs

Contest logs for the SCDXC Country Chase, held over the weekend of Oct. 3-5, should be mailed to Jim Stevenson, KM6B, 18634 Tulsa St., Northridge, CA 91326, or brought to the next Club meeting.

For Sale

Unused Wilson 15 meter 3 ele monobander - $50. Phone Roy Ferren, K6RA, 213-472-9428.

For Sale - Tri-Ex HS471 tower with thrust bearing, 15 ft mast, cat walk, with CDR rotator and 3 band 4 ele quad ant. - Make offer. Bill Carter, W6VCY; day:213-944-0311, X-265; eve.: 714-898-3145.

PERSONAL PROFILE - Steve Locks, W6FRZ

Steve was first licensed in 1959 at the age of 12, in Westport, Connecticut, receiving the call KN1LFT. That summer his family moved to Long Beach, where Steve passed his general class examination and received the call WA6JLL. Two years later, at age 14, Steve received WAS Certificate #12,903. That same year Steve met Bob Lawson, K6MQG (N6RW), and compared DX interests at Scott Radio in Long Beach. As good friends, Steve and Bob chased DX throughout their time at Long Beach Wilson High School. Before graduating, Steve received DXCC #7172 with 120 countries. One of the highlights of Steve's high school DXing was a trip to Geneva in 1962 where he operated 4U1ITU. He says W6's sound a lot different from that distance.

During the 60's, Steve was a member of a group of Long Beach and Palos Verdes hams who called themselves "The Shore Batteries". Fellow members of this group were Bob Lawson, Bob and Larry Brockman, and Wayne Gingerich, W6EUF.

In 1965 Steve moved back to Connecticut for a year and a half, getting his old call K1LFT and working 250 countries in the first year with a 3 element 20 meter monobander. After returning to California, Steve was issued W6FRZ, being one of the youngest W6 DX stations operating at that time. 1968 was a good year for Steve - he met and married Franceen and became President of the SCDX Club - while he was still only 21 years old.

Steve has fond memories of operating a CQ WW DX Contest at Herb Koch's, K6ASL (K3VA) with Bob, K6MQG (N6RW); Larry, WA6EPQ (N6AR); Larry's brother Bob, WA6IPY; Kyle, WA6OHJ; and Jerry, WA6GLD (N6AV). Steve recalls that at 3 AM they were still putting up beams and assorted antennas. Steve enjoys a good pile up but says he can't tolerate list operations. Steve has 245 confirmed countries out of approximately 300 worked.

Steve has been a member of the Long Beach Amateur Radio Club since he was 12 years old. He is currently working on his Masters Degree in Health Care Management at CSULB in addition to working 40 hours a week as Chief X-ray technologist in Hospital Administration at Rancho Los Amigos in Downey. Steve lives in Long Beach with his wife Franceen and daughters Erin, 7 and Danielle, 5. Steve's dad, Dr. Mathew Locks, who holds the call WB6VBV, took Steve to his first SCDX club meeting, although he is not very active at present.

New Members

If you know of any prospective members, either full (100 countries or 40 zones confirmed) or associate (25 countries confirmed), contact Membership Chairman Neil Kaltman, K6SMF, 213-995-6242, for application forms, sample Bulletin, etc. Welcome to the following members:

W6SN, William A. Lippman, Jr., 921 Iliff St., Pacific Palisades 90272
KC5JK, Paul W. Moratto, P.O. Box 3772, Van Nuys 91407

K4YT Leaving for African DX Safari

SCDX Club member Joe Locascio, K5KT, just received a note from Karl Renz, K4YT, saying that he was leaving Oct. 1 for DL, 3B8, 5R8, 5H3, 7Q7, 9J2, 9X, 9U, 5Z and 601!! We have no further information but Karl is an excellent CW operator so stay alert for any activity from these countries during October.

22 Year Flashback!

October, 1959 - SCDXC President: K6CYO, Bill Christie (if anyone knows what happened to Bill pls contact your editor); Bulletin Editor: K6GAC, Millie Mitchell. The following is reproduced from the original -

PAØZD was lucky enough to have had a QSO with elusive K4BJP/TA3.(Aug 13th, 1629z, 14300, ssb.) Ed operated a few days from Keramorsel, 60 miles West of Istanbul and requested QSL's to his home QTH. He promised to be on the air more often in the near future but could not give more particulars, Said he was a business "intermediate" which asked for much through the country.

Norfolk Island: VK9RH with cw on 14075 during early morning hours.GMT

ZS3T reported there is a possibility that Walvis Bay will get a separate prefix, probably ZSØ (West Gulf DXC).

KV4AA was overheard recently reporting KM6BI and some others will go to Kure Island, also called Ocean Island, for a DXpedition signing KM6AA during September. Kure is an uninhabited islet (?) of the Hawaiian Group, located in the Central Pacific about 1500 miles N.W. of Niihau. Because of its isolated location it might easily qualify for DXCC seperate country status. (W4KVX).

Pat,I5GN, says their SSB operations will cease on September 15th, on which date Ted Henry's "Argonaut" KWM-1 will go to VQ6DP (British Somaliland) for some time. Next to get the traveling transceiver will be 2D6DT-Nyassaland. (W4KCX).

K6LAS sends the news that there is now a VS9 station operating from Sultanate of Oman. Handle is Terry and he is on CW and phone. Chuck heard him Saturday morning (26th) 1500 gmt-14138.

Fellows are now begining to receive their PY7SC cards. (Fernando de Naronha- Island many miles off the coast of Brazil.) It counts as a seperate country-QSL via PY4TK.

September 29, 1981

Mr. Thomas Hoyne
5133 Laurette Street
Torrance, California 90503

Dear Tom:

As per our discussion, I am tendering my resignation as a member of the Board of Directors of the Southern California DX Club.

I feel an explanation is in order, both to you and to the members of the club.

First of all, I would like to dispel the recent claims by the A.R.R.L. that I have submitted phony QSL cards for credit for my own DXCC.

I have worked for some years now, hopefully generating a good reputation in the DX community with my six previous DXpeditions, and have risked my life on at least two occasions on a leaky, old boat in Africa and a tired old airplane on a desert island in the Pacific. It is ridiculous for anyone to think that I would throw all of that away to submit two phony QSL cards to the A.R.R.L. for DXCC credit. The A.R.R.L. is somewhat upset about my efforts and the efforts of others to make DXCC a non-endorsable award and hopefully to clean up the DXCC mess, as we know it.

As I stated on numerous occasions before, the whole "QSL scandal" is a direct result of the desire of some

people to bring DX back to its roots and to abolish, forever, this insane chase for QSL cards and for us to, in some measure, encourage the production of international goodwill, understanding, and friendship that had existed at least for the first part of my twenty five years as a FCC licensee.

I think we have been somewhat successful in engendering some debate about this QSLing question, although after listening to the FB8W Debacle last week, I sometimes wonder. It seems the jamming, bad language, and the greed will never end, and to some extent I am discouraged that my activities have not borne enough fruit, at least yet.

I have attempted to encourage debate and have been met with rage by some members of the Southern California DX Club and others who feel that their country total is far and away more important than the entire hobby of amateur radio DXing. I ask all members to look at their consciences and see really if being one notch up or down on the honor roll really means that much in the scheme of the universe.

My reason for resigning at this time is because of conversations with you and some others who feel that my continued presence on the Board of Directors will divide the club and cause ill feeling. It has never been my desire to bring anything but honor to the Southern California DX Club, and any divisiveness in the club is something that I wish to avoid.

I would like to state that I am shortly going to institute suit against the American Radio Relay League for their libelous statements about me which are untrue and unfounded. However, despite this, I feel at this time it is in the best interest of the club for me to resign from the Board and I am doing so, effective immediately.

Best 73s

Dave
